COACHING STAFF

Scott Rodgers Head Coach Third Year

The Wright State women's soccer team has reached many milestones in the two years that Scott Rodgers has been head coach.

After finishing fourth in the Midwestern Collegiate Conference and earning the first-ever conference tournament win by the program in 1997, Wright State accomplished the near impossible in 1998. The team, after placing fifth in the MCC during the regular season, pulled off three straight upsets in the MCC Tournament to advance to the NCAA Tournament for the first time ever. It also marked the first time that a Raider women's program had qualified for an NCAA Division I tournament.

With that success the past two seasons and with a new home, Alumni Field, on the horizon, the future is indeed bright for Wright State women's soccer under Rodgers, who enters his third season at the helm in 1999.

Before heading up the women's program, Rodgers was an assistant coach on the men's team for three seasons, during which the Raiders compiled a 33-17-6 record. Rodgers' responsibilities with the men's team included development of the younger players and recruiting.

Rodgers played in 56 games with 49 starts during his three-year career at Wright State. During that time, the Raiders posted a 35-18-5 record and 21 shutouts with Rodgers on defense. He earned a bachelor's degree in psychology with a minor in business from WSU in 1993.

A graduate of Centerville High School, Rodgers was named first-team All-Midwest, All-Ohio and All-Western Ohio League as a senior in high school. He was also selected as the South Dayton and WOL Player of the Year as a senior as the Elks finished with a record of 14-3-5.

Rodgers, who also serves as an Olympic Development coach and director for Soccer Centerville, holds a United States Soccer Federation "A" coaching license and resides in Dayton.

COACHING STAFF

Kevin Arcuri
Assistant Coach
Third Year

Kevin Arcuri enters his third season on the Wright State staff after spending several seasons coaching on the club level.

Arcuri coaches the Team Dayton Soccer Club and works Ohio South camps along with various other camps during the summer. He was the Region II Olympic Development state team coach for Ohio South.

A Cleveland native, Arcuri was a two-year All-American at Kenston High School.

Arcuri, who holds a United States Soccer Federation "B" coaching license, played collegiately at the University of Dayton and was also the head coach of both the men's and women's club soccer teams there. He graduated from UD with a degree in criminal justice and a minor in sociology in 1995.

John Mers
Assistant Coach
Third Year

John Mers also returns for his third year as an assistant coach and will work with the goalkeepers on both the men's and women's squads.

Mers played for the Raiders from 1991 to 1994 and is ranked in many of WSU's career statistics for goalkeepers, including minutes played (third with 4906), shutouts (fourth with 14) and goals against average (fifth at 1.25). His 0.86 goals against average in 1992 is fourth on the all-time Raider list and was fourth in the Great Lakes Region that year.

A native of Westerville, Ohio, Mers played on the professional level as a goalkeeper for the Cincinnati Silverbacks of the National Professional Soccer League.

MIDWESTERN COLLEGIATE CONFERENCE

* Do not compete in women's soccer

The Midwestern Collegiate Conference, now in its 21st season of existence, continues to build upon a strong foundation of institutions with a tradition of broad-based programs, led by administrators and coaches who place a constant emphasis on academic integrity. The MCC strives to maintain the goals and objectives necessary to achieve prominence as a top 10 Division I athletics conference.

The MCC has established specific goals for upgrading the league's market and competitive positions, with an eye toward continually enhancing the student-athlete experience. The conference has a commitment to engage both its staff and member-institution administrators and students to serve on national-level committees. The conference is an affiliation of eight institu-

tions with similar athletics goals that provides stability and major-market exposure.

MCC markets, including five of the nation's top 30 television areas, cover more than nine million TV households and encompass nine percent of the country's television audience. The member institutions are generally located in major metropolitan areas and benefit from the business, cultural, educational and entertainment resources available to the university community.

Originally founded in 1979, the MCC was initially a men's only sports league, but added women's athletics in the 1986-87 season. League members continue to advocate competitive athletics as a valuable educational experience and as an important

component in the process of higher education.

The league features both public and private institutions committed to fielding a broad-based NCAA Division I athletics program that develops physical fitness, academic development and moral character in its student-athletes. Among the MCC's established operating principles are efforts to maintain integrity, gender equity, academic excellence and fiscal responsibility in the athletics enterprise.

Best known for its men's basketball success, the MCC offers a total of 18 different championship sports (nine each for men and women). The conference enjoys automatic qualification or play-in access in baseball, men's basketball, women's basketball, golf, men's soccer, women's soccer, softball, women's tennis and volleyball.

WRIGHT STATE UNIVERSITY

Wright State University offers many innovative programs in a variety of areas through 100 undergraduate programs and over 40 graduate and professional degree programs.

Our mechanical, materials, electrical, biomedical and computer engineering programs, and the engineering physics program, are accredited by the Accreditation Board for Engineering and Technology (ABET).

Our College of Business and Administration programs are accredited by the American Assembly of Collegiate Schools of Business (AACSB).

The College of Science and Mathematics offers programs in life, chemical, and environmental sciences, and in medical technol-

Russ Engineering Center

ogy, as well as a Ph.D. in psychology.

Theatre and the arts, along with a strong communication program, highlight the many programs available in the College of Liberal Arts.

The Wright State University-Miami Valley College of Nursing and Health offers both bachelor's and master's programs to prepare students to meet the current and future challenges of the health care field.

Other care-related professions are found in the College of Education and Human Services, where students prepare for teaching and counseling opportunities in the

public and private school environment and in the corporate arena of training and development and employee assistance.

WRIGHT STATE UNIVERSITY

THE UNIVERSITY

✓ The Paul Laurence Dunbar Library's Department of Archives and Special Collections houses one of the world's most complete repositories of original documents, memorabilia and personal photographs from the Wright brothers.

✓ The university's Ervin J. Nutter Center, completed in 1990, provides seating for up to 13,000 spectators for events ranging from basketball games and entertainment to conferences and commencements. It is home to the WSU athletics department and sports medicine facilities.

✓ Wright State University offers the nation's oldest aerospace medicine residency program for civilians.

✓ More than 57,800 students have graduated from Wright State since 1967, with nearly half of them remaining in the greater Dayton area.

✓ Nearly 2,200 of Wright State's students live in university-affiliated residences on or adjacent to the 557-acre main campus.

✓ An extensive underground tunnel system links most WSU main campus buildings, whose modern architecture is nationally recognized for being completely accessible to people with disabilities.

✓ Although most WSU students hold jobs on or off campus, many are involved in one or more of the 100 student clubs and organizations that give vibrancy to campus life.

✓ The university offers 14 Division I intercollegiate athletic programs, and many students participate in the intramural sports programs.

Paul Laurence Dunbar Library

THE WOMEN'S SOCCER PROGRAM

✓ The Raiders pulled off three straight upsets last season at the MCC Tournament to advance to the NCAA Division I Tournament for the first time. The team became the first women's squad at Wright State to ever qualify for a NCAA Division I tournament.

✓ Wright State is in its sixth season as a member of the Midwestern Collegiate Conference, which has six members for women's soccer. The MCC champion receives an automatic bid to the NCAA Tournament.

✓ While local players dominate the WSU women's soccer roster as seven

hail from the Miami Valley and 11 come from greater Cincinnati, the Raiders will also have four players from Kentucky this season as well as one from Canada.

✓ WSU annually plays a tough schedule, as the Raiders have faced such teams as Arkansas, Creighton, Indiana, James Madison, Kentucky, Marquette, Maryland, Michigan, Michigan State, Minnesota, North Carolina, Notre Dame, Ohio State, Temple, Texas A & M, Vanderbilt, Virginia and Wisconsin over the years.

DAYTON

Where Innovation Meets Tradition

From the Wright brothers' first flight experiments to the invention of the first self-starting automobile ignition system by Charles F. Kettering, from the cash register to the automated teller machine, Dayton has a strong tradition of encouraging innovation, excellence and service to humanity. Over 900,000 residents and Wright-Patterson Air Force Base call Dayton's metropolitan area home.

Dayton is a place that takes as much pride in historical preservation and parks as it does in high technology. Located in southwestern Ohio's Miami Valley at the confluence of the Great Miami, Stillwater and Mad Rivers, Dayton is a picturesque combination of rolling hills, flowing waterways and open spaces. Dayton boasts more green area than any U.S. city its size. Over 35,000 acres of parks, nature preserves and other greenery beckon you to enjoy your favorite outdoor activities, and a popular river corridor along the Great Miami River offers 26 miles of walking, jogging and cycling.

In the Heart of the Midwest

Dayton welcomes its visitors with big-city amenities and small-town, Midwestern friendliness.

Dayton's central location among Columbus, Cincinnati and Indianapolis puts major collegiate and professional sports activities, cultural events and other recreational opportunities within easy driving distance. It's one of the nation's most accessible (and affordable) destinations. Chicago, Detroit and Cleveland are all within a day's drive, and Indianapolis and Louisville are even closer. Cincinnati is just 54 miles away.

Each year, over 2.5 million people visit Dayton for business and pleasure. Over 100 festivals and the United States Air and

Trade Show, a four-day celebration of flight, delight visitors from all over the nation. The U.S. Air Force Museum at Wright-Patterson Air Force Base, the oldest and largest military aviation museum in the world, has become the nation's number one free visitor attraction.

Other notable places to see include the National African-American Museum and Cultural Center, the Museum of Discovery, the historic Wright Brothers Bicycle Shop and Carillon Historical Park—a museum designated a National Historic Landmark by the National Park Service.

Dayton is strong in the arts. It boasts the Dayton Ballet Company, one of the nation's oldest regional companies, the Dayton Contemporary Dance Company, the Dayton Philharmonic Orchestra and the 79-year-old Dayton Art Institute houses an internationally acclaimed collection of paintings, sculpture and decorative art spanning many cultures and time periods.

Wright State University

In the tradition of the nation's best universities, Wright State University is dedicated to teaching, research, and service. In addition, Wright State has the distinct mission of providing leadership to improve the quality of life for the people of the Miami Valley. Wright State is an affordable, comprehensive, state university with a diverse range of high-quality academic programs and strong links to Miami Valley schools and business, government, and community organizations.

The university serves nearly 16,000 students with programs leading to more than 100 undergraduate and 40 graduate and professional degrees through six colleges and three schools. Wright State offers innovative educational programs, including doctoral programs in biomedical sciences, human factors and industrial/organizational psychology, medicine, and professional psychology; one of only two aerospace medicine residency programs for civilians in the nation; and a post-master's educational specialist degree program. Wright State's theatre, accounting, chemistry, geology, and engineering programs are recognized for excellence. The WSU Lake Campus near St. Marys and Celina, Ohio, offers associate and pre-baccalaureate degrees.

Wright State University's faculty is dedicated not only to advancing the frontiers of knowledge but also to applying knowledge to real problems. Most classes are small and taught by fully affiliated faculty members, 80 percent of whom hold the most advanced degrees in their fields. In addition, students gain hands-on experience through a variety of community-based programs, cooperative education, internships, and research projects operated with industry and government.

Over 2,000 of Wright State's students live in university-affiliated residences on or adjacent to the 557-acre main campus. An extensive underground tunnel system links most campus buildings, whose modern architecture is nationally recognized for being completely accessible to people with disabilities. Although most students hold jobs on or off campus, many are involved in one or more of the 150 student clubs and organizations that give vibrancy to campus life.

The university offers 14 Division I intercollegiate athletic programs, and many students participate in intramural sports programs. The Ervin J. Nutter Center, a state-of-the-art sports and entertainment complex, and other recreational facilities are available to students on a daily basis. Besides intercollegiate athletic events, the Nutter Center hosts convocation, concerts, and other cultural and entertainment events, seating up to 12,000.
